## PRODUCT DESCRIPTION

The Wharfedale LINTON represents one of the most iconic models in the long history of Wharfedale loudspeakers. A model that embodied the Wharfedale pioneering research through the 60s, 70s and 80s, with a bloodline dating back to 1965, LINTON has always been manufactured according to the Wharfedale principles of quality and value for money. The new Wharfedale LINTON further exemplifies these two edicts, balancing fine craftsmanship, natural sound quality and affordability inside a beautifully proportioned loudspeaker that has been bought in its millions right across the globe through its various incarnations.

The original LINTON was well known for its warm, rich and natural sounding character and the new Wharfedale LINTON retains that standing but imbues it with an open, detailed performance that will entice you to explore your whole music collection, once more.

**Height (on stands):** 1010mm

**Width:** 300mm

**Depth (with terminals):** (330+30)mm

**Weight:** 18.4kg each

### CRITIC REVIEWS

*"With retro good looks and a natural, relaxed sound to match, these Wharfedales are different, but undeniably superb." [Click for full review](#)*
